

The Bright WINTER LIGHTS of Crowley Park

The Bright Lights of Crowley Park Winter Lights Contest
by Lee Trowbridge

During the month of December, the Crowley Park Neighborhood Association sponsored a bright winter lights contest. The categories included:

Seen from Space 3105 Spring Lake and 2688 Poinsettia
Most Creative 2667 Orchid and 2308 Blackberry
Most Beautiful 2610 Spring Lake

There were many beautiful and fun displays to brighten our evenings. Thanks to all for brightening our neighborhood. We were unable to snap pictures of all the winners, but here are a few bright lights around the neighborhood.
